## LIVING CHRISTMAS TREE

We are considering doing the Living Christmas Tree program this year on Sunday night, December 18. The last time we had the Living Christmas Tree program was in 2019. However, to do the program, we need help from a lot of people.

- We need about 40 or 50 people to sing in the tree. Singers must be high school age or older.
- We need help putting up the tree.
- We need help putting all the new greenery on the tree. Depending on how many people help, this could take a week or more to do.
- We need help putting lights on the tree.

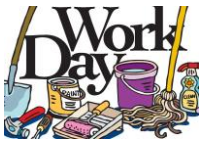

We will need a lot of people to help for several days in November and December. If singing in the tree, practices will probably start at the end of September or early in October.

If you can help, we need you to sign the appropriate lists on the bulletin board within the next couple of weeks. If we are going to be able to have the program, we need to order materials quickly. If we can get help, we will do the program.

**Wednesday, August 17 at 7:00 p.m.**

*Thomas Shelton* will be here to share music...stories...laughter! A time of fellowship and refreshments will follow the concert.

**Saturday, August 20 from 9:00 – Noon**

Lunch will be served at noon.

*Many hands make light work!*
